

SALESBOOST

BOOST your **SALES CONVERSION!**

ABOUT

Salesboost is a simple and effective Marketing Follow-up System, much needed for any business. Research study shows that follow-ups are the root of marketing, Salesboost helps you do this with maximum efficiency helping you to convert leads into prospects.

Salesboost is built as a cost-effective product, we serve this product on SaaS model and hence you will not have to worry about hosting, maintenance and implementation charges.

Automate your marketing, The success is in follow-up !!

Most of Businesses put huge Money to advertise their Business to generate leads and enquiries. On an Average it takes 7 times followup to make the prospect to buy a product or service from you. 79% of leads are not followed up more than 2 or 3 times.
